Dear Patients,

It is our pleasure to announce the expansion and renovation of Benson Family Dentistry! Patient health and comfort have always been our priority, and this expansion will allow us to continue providing the highest quality of dental care for years to come. Our office upgrades will bring several benefits, including:

- **Additional treatment rooms** to facilitate more flexible scheduling and reduction in wait time.
- **State-of-the-art technology** to enhance patient experience and provide even more accurate and efficient care.
- **A wider range of procedures** offered right here in our office.

During renovation, we will take every measure to avoid disruption in order for visits to remain smooth and pleasant. The expansion should be completed by the end of next year.

We are delighted to announce that **Dr. Lauren Huddle** will be joining our team as an associate dentist on October 14th. Dr. Huddle earned her dental degree from Medical University of South Carolina and brings several years of experience to our practice. She is committed to providing the same level of compassionate, high-quality care that you have come to expect from us. We are confident you will find Dr. Huddle to be a skilled and dedicated professional and we are excited for you to get to know her.

After sixteen years of service as our dental hygienist, **Hope Burdine** will be retiring at the end of this year. Hope is loved for her kind disposition, compassionate care and vast knowledge of all things Disney. We are grateful for her dedication over the last sixteen years and she will be missed by us all.

To ensure the continuance of exceptional care, we are pleased to introduce **Tammy Garrett**. Tammy brings twenty-six years of experience as a dental hygienist. She has lived in Greenville all her life and has three children, two grandsons and one dog. She enjoys spin class, hiking and spending time with her family.

Finally, we are incredibly grateful for your loyalty and support, and we cannot wait for you to experience our new and improved office. If you have any questions or concerns, please do not hesitate to contact our office at 864.834.2774.

Sincerely,
